

18-2-39.

Dear Mr. Hickey,

I must apologise for my absence from the various Committee meetings, but I have been unable to attend owing to absence from London. I was appointed to a Professorship in Dublin at the beginning of the year and will shortly be moving over there permanently and so I must ask you to accept my resignation. as I don't see that I can be of any use in London.
With all good wishes,

Yours sincerely,
T.A. Hoffman.
